POLICY: Murtis Taylor Human Services System's sliding fee scale is based on income and family size.

DISCIPLINARY ACTION: Violation of this Policy is a Class III Infraction, which will result in progressive discipline up to and including termination.

PROCEDURE:

1. The Sliding Fee Schedule (A) applies to Behavioral Health Services
2. A family will never be required to pay more than the actual cost of the services they received.
3. Services are available to families whose incomes are below the State median income with 98% of the unit cost charged to the individual.
4. Full payments are required for families whose incomes are over the State maximum income for social services eligibility.
5. Murtis Taylor Human Services System requires payment according to the Sliding Fee Schedule (A) from individuals who receive services. **However, the Organization reserves the right to waive any balance owed by individual clients.**
6. All clients shall receive disclosure of all fees for which they will be responsible.
